## Dumpster Permit Application

Date: \_\_\_\_\_

Name: \_\_\_\_\_

Address: \_\_\_\_\_

Phone Number: \_\_\_\_\_

Reason for dumpster: \_\_\_\_\_

### Note:

- Dumpster must be located in the front or rear of property requesting it. Can't be dropped in front of neighbor's property.
- Can not be placed within 40 feet of a stop sign or yield sign.
- Can not be placed in any space with a specific use (handicap, bus stop, etc).
- Corners of dumpster must be clearly marked with 4" wide reflective tape.
- Must be removed in a timely manner, even if it is not filled.
- Must be removed within 1 business day after being filled.
- A phone number for the permit holder with an active voicemail / answering machine must be provided.
- Dumpster must have the providers name and phone number clearly printed on the dumpster.
- Permit holder is responsible for all clean up, damage, repairs directly related to this installation.

*No rubbish container, including roll off boxes can be placed on a city street for permanent use.*

*The City makes every effort to anticipate all possible conflicts. However, in the event some unforeseen conflict arises (conflict with snow removal, line of sight issues, etc) the City will call the number provided and request an immediate remedy. Any expense associated with such remedy will be the responsibility of the permit holder.*
